Subject: Assistance for creation of Cleaning, Grading, Packaging facilities (upto 40.0 lakhs) and Compost Unit (up to Rs. 5 Lakhs) in e-NAM markets-reg.

Sir,

As you may be aware that, in order to make agricultural produce more marketable by adding value to the raw produce brought by farmers for on-line trading, it has been decided to enhance assistance from Rs. 30.00 lakh to Rs.75.00 lakh per e-NAM market to include additional establishment of cleaning, grading and packaging facilities (Rs 40 lakhs) and bio-composting unit (Rs.5 lakhs).

2. Earlier, supplementary proposals (DPR) have been invited for the existing e-NAM APMC/RMC markets from your State/ UTs for the above mentioned purpose. After scrutiny of the proposals and approval by Project Appraise Committee (PAC) in DAC&FW, Rs.2320 Lakhs for additional establishment of cleaning, grading and packaging facilities for 58 mandis and Rs. 232 lakhs for bio-composting units in 58 mandis @4.0 lakhs/market was released.

3. Now, 25 additional markets have also been approved under e-NAM scheme. Hence, it is requested to submit DPRs for remaining e-NAM market(s) for the assistance upto Rs.45 lakh per e-NAM market. The proposals along with supporting documents may be routed through the State Govt. in the prescribed format attached herewith and may reach office of the Joint Secretary (Marketing), DAC&FW, Room No. 137, Kisan Bhawan, New Delhi for scrutiny and consideration of the same by PAC.

4. It is important to mention that States/UT which have already availed assistance for bio-composting project of mandi may restrict the amount upto Rs. 40 lakh for Cleaning, Grading, Packaging facilities only and those so far have not availed such assistance may restrict the amount upto Rs. 45 lakh. The civil structure for accommodating the functional infrastructure/ facilities will be restricted to 20% of the eligible assistance. However, States/ UTs would be free to invest additional fund, if so required, from their own sources over and above 40 lakh and 45 lakh, as the case may be.

5. I would, therefore, request you to kindly submit supplementary proposals (DPR) in the prescribed format for additional e-NAM markets (APMCs) for scrutiny and consideration of the same by PAC at the earliest.

With regards,

Encl: As above

Yours faithfully

M. Thangaraj
