DO No. S.14017/01/2022-MRIN

Dated: 5.01.2022

Dear Sir

As you are aware that mandi officials of various APMCs under your administrative jurisdiction are uploading data on prices and arrivals of agricultural commodities in Agmarknet portal (<http://agmarknet.nic.in>) on daily basis. The information is being used by farmers and other stakeholders including various Government Departments for important policy initiatives.

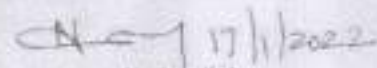

In Agmarknet portal, the market profiles of many APMCs in your State have been uploaded and are available (details enclosed). These market profiles have been uploaded some months back and needs updating of the same with current information. The Mandi profile contains very useful information on various aspects of the market.

I would request you to instruct the concerned officers of the APMCs in your State to update the information on market profiles on the format available in the portal at the earliest latest by 31.01.2022. Further, it is also requested to upload the Mandi Profile in respect of APMCs whose profile are not available as soon as possible. The User ID and password for uploading the information on the market profile has already been provided to the APMCs. In case of any difficulty in uploading the information, the local DMI Officer / NIC Officers may be contacted in this regard.

With Regards,

Encl: As stated above

Yours Sincerely,

  
(Dr. Vijaya Lakshmi Nadehdia)
