		<p>1. The EOI speaks of PG services (collection solution) but page 8 speaks of payment services with provision of an entire portal for farmer payments and trader login. Clarity on scope of work and objective of integration is needed.</p> <p>2. The EOI addresses service providers throughput, however in Eligibility criteria it says service provider should be scheduled commercial bank. It also asks for RBI authorization for PSP to carry out PG/aggregation services, which banks do not have. Can Eligibility documents be submitted for individuals entities in the consortium, or of banks only but with their third party aggregators in back-end who will not be party to the agreement</p>	<p>1. Mandi Board required both Collection and Payment Portal 2. Bank Only</p>
